**RULES GOVERNING THE REGISTRATION
OF PURE PERCHERONS AND ISSUE OF PASSPORTS
BY THE BRITISH PERCHERON HORSE SOCIETY**

1. To be eligible for Pure-Bred registration in the main section of the studbook, the animal must meet the breed standards and the applicant must be a member of the Society. Animals that do not meet the breed standards will be eligible for entry in section X. Applications must also comply with the following:
 - A. If bred in the British Isles:-
By a Stallion and out of Mare entered in the Stud Book of the British Percheron Horse Society
 - B. If imported:-
By a Stallion and out of Mare entered in the Stud Books of the Société Hippique Percheron de France, or of the Percheron Horse Association of America, or of the Canadian Percheron Horse Breeder's Association. A copy of the registration documents must accompany the application.
 - C. An outline diagram must be submitted with the application and must be completed by a Veterinary Officer.
 - D. A DNA hair sample from the foal must be taken by a Veterinary Officer
 - E. A Stallion Covering Certificate must accompany the registration application
 - F. The foal must be micro-chipped prior to registration and the tracer number must appear on the application form.

2. Change of ownership. The Vendor must hand the passport to the purchaser at the time that the animal leaves the vendors premises. It is the responsibility of the new owner to contact the secretary and request a change of ownership form which must be completed and returned together with the passport for updating the change of ownership. The new owner must apply for change of ownership within 30 days. We respectfully request that the Vendor will also notify the Society that the animal has been sold.

Subject as hereinbefore provided, the combined registration and passport fees payable to the Society shall be as follows.
